COLLECTING CHILDREN

Parents/Carers need to collect their children from the Community Centre at the start of the Lord's Prayer in the main service.

CHILDREN and COMMUNION

Children are most welcome at Holy Communion. To receive a blessing, please encourage your child(ren) to adopt the prayer pose with hands together as a sign to those taking the service that they wish to receive a blessing. If your child takes communion through an arrangement with the staff team, then they should hold their hands open in the usual way.

SAFEGUARDING

All of our Sunday Club team have been trained in Safeguarding and are checked through the Diocesan arrangements. Should you have any concerns about your child or another child or children you should contact Pam Bridgman on 01793 521408.
