

Legacy a lasting gift

CHRIST CHURCH WITH ST MARY'S SWINDON

A gift in your will -
make a difference for
generations to come

Dear Friends

Regular giving and stewardship keep our church life going day to day. Legacy gifts in wills provide a valuable and lasting way to help develop and maintain the future of Christ Church with St Mary's.

It is always a great encouragement to us when someone chooses to leave a gift in their will to our Church. Such a gift is a lasting expression of their gratitude for the life and work of Christ Church with St Mary's, and their desire to see its ministry and community continue for generations to come.

I would encourage everyone in our church family to make a will and to review it regularly. Please also consider the difference that a gift in your will, however large or small, could make to the future of our Church.

Thank you for your consideration.

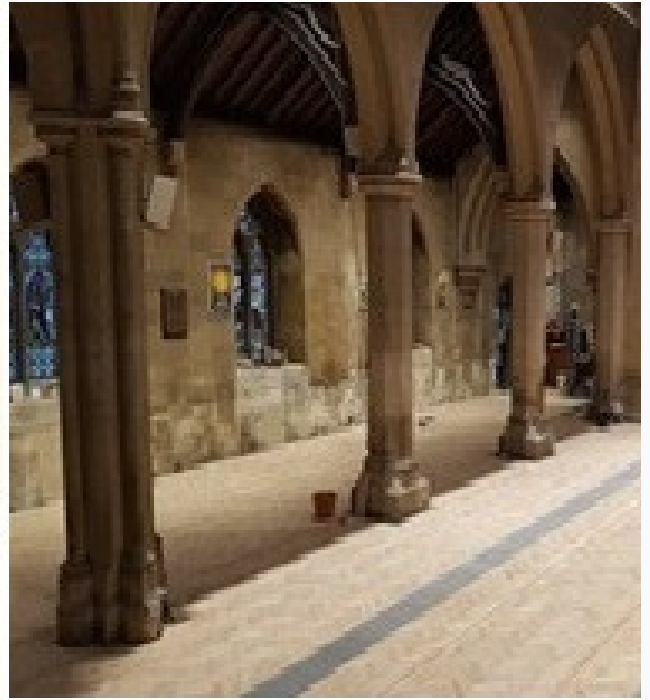

“Where your treasure is, there your heart will be also.”

MATTHEW 6.21

Our Jubilee Memorial Garden was restored
thanks to generous legacies

Your Church, Your Gift

Legacy gifts can help shape the future of Christ Church with St Mary's. Gifts left in wills provide valuable support for the future development of our buildings, facilities and ministry, helping us respond to the needs and opportunities that arise in the years ahead. They can fund projects such as improvements to our buildings and equipment, support staff and ministry, or enable us to reach out and serve our local community.

Previous legacy gifts have already made a lasting difference; helping us improve our flooring, heating and lighting, carry out essential repairs to our roof; as well as many other smaller but vital projects. A gift in your will could help ensure that Christ Church with St Mary's continues to develop, adapt and serve its community for generations to come.

Because the needs of the parish will change over time, we encourage gifts to be left for the general purposes of the parish or for work on the building, rather than being restricted to a particular project. This allows future generations the flexibility to use your gift where and when it is most needed.

Legacies enabled a much-needed new efficient heating system and an oak block level floor

How do I do it?

Consider leaving a gift in your will to our church
